DINNER LADY CHOPPED UP HER MUM & DAD WITH CHAINSAW

By BRAD CHADWICK

A WOMAN shot both elderly parents in the head before mutilating their bodies with a chainsaw over the course of nine days.

School dinner lady Verity Beck, 49, was charged with double homicide after police found her parents, Reid and Miriam Beck, in "different stages of dismemberment" and stuffed into bin bags.

Ukraine cuts corruption for EU bid

ONE of Ukrainian President Volodymyr Zelenskyy's key aides has resigned ahead of an expected government reshuffle. Kyrylo Tymoshenko was the president's deputy head of office and thanked Mr Zelenskyy for "the opportunity to do good deeds every day and every minute". He had been implicated in scandals linked to his use of expensive cars – though he denies wrongdoing. Mr Zelenskyy has signalled that other top officials will also leave his government. The move comes amid a clampdown on corruption in Ukraine, one of the EU's key demands if the country is to advance its application to join the bloc. Authorities have banned state officials from leaving Ukraine, unless on authorised business trips.

Now Amazon goes on strike

AMAZON workers staged their first ever strike in the UK in a pay dispute. Members of the GMB at the company's fulfilment centre in Coventry voted to walk on Wednesday in protest against a pay rise the union said is worth 50p an hour. Stuart Richards, GMB senior organiser, said: "Amazon workers in Coventry make history. They've defied the odds to become the first ever Amazon workers in the UK to go on strike. They're taking on one of the world's biggest companies to fight for a decent standard of living."

MASS SHOOTING IN AMERICA...AGAIN

MANIAC: Cops nick shooter after he killed seven

THE US state of California is reeling from its second mass shooting in days after a man shot dead seven former co-workers near San Francisco. The attacks took place in the coastal city of Half Moon Bay. The victims were all Chinese-American farm workers. Suspect Zhao Chunli, 67, was arrested after driving to a police station. It comes as the state mourns the death of 11 at Monterey Park – about six hours south east of Half Moon Bay – during Lunar New Year celebrations. California Governor Gavin Newsom tweeted that he was at a hospital meeting with victims of the earlier mass shooting when he was pulled away to be briefed about the second

attack, describing it as "tragedy upon tragedy". The latest bloodshed to hit the state took place at two farms around the Half Moon Bay community. Four victims of the shooting attack were discovered at a mushroom farm while the other three were later found at a nearby trucking business. An eighth victim is being treated in hospital and is in a critical condition. A number of children who had recently been let out of school and lived on the rural property saw the attack take place, San Mateo County Sheriff Christina Corpus said. "This kind of shooting is horrific. It's a tragedy we hear about far too often, but today it's hit home here in San Mateo County," the office said.

Tories at war over Zahawi

NADIM Zahawi should not have to step aside as Conservative Party chairman while an ethics investigation into his tax affairs takes place, according to a minister. It comes after a senior Tory MP broke ranks to call for Mr Zahawi to "temporarily recuse himself" from his party and Cabinet role until a probe into his conduct is over. Caroline Nokes, chairwoman of the Commons Women and Equalities Committee, said Mr Zahawi should "stand aside until this matter is cleared up". Home Office minister Chris Philp said Mr Zahawi should be treated as "innocent until proven guilty" and it is "reasonable" for him to continue as party chairman. Prime Minister Rishi Sunak said it is "longstanding practice" for ministers being investigated to remain in post. Mr Zahawi is subject to an inquiry by the new independent adviser on ministers' interests, Sir Laurie Magnus, into declarations about his tax affairs.

BRITAIN ON THE BRINK!

BUSINESS activity in the UK suffered its sharpest drop in two years this month, as the risk of Britain falling into recession grows.

Preliminary data from the so-called flash purchasing managers index (PMI) showed that the downturn in the UK economy in January was worse than expected. The monthly survey, compiled by S&P Global and the Chartered Institute of Procurement & Supply (CIPS), showed a reading of 47.8 in January, a drop from the 49 recorded in December and coming in below the market consensus of 48.8. Any score below 50 is considered a contraction for

By COLIN HURST
news@sundaysport.co.uk

the economy, and the latest data marked the sixth month in a row that the economy has declined. It also represented the fastest rate of decline since the national lockdown in January 2021. **Battling** The survey revealed that higher interest rates and low consumer confidence are key factors holding back business activity this month. This is particularly the case for the services sector – which includes most retailers and hospitality businesses like restaurants, pubs and hotels – which saw business activity fall steeply month on month.

Private sector businesses are battling to make money against squeezed household incomes, and a drop in business investment from risk-averse corporates, the survey found. The manufacturing sector also saw output drop considerably in January, with the sector continuing to face severe labour shortages and inflated costs, coupled with weaker demand. Chris Williamson, chief business economist at S&P Global Market Intelligence, said: "Weaker-than-expected PMI numbers in January underscore the risk of the UK slipping into recession. Industrial disputes, more staff shortages, growing export losses, the rising cost of living and higher interest rates all meant the rate of economic decline gathered

pace again at the start of the year. "Jobs also continued to be lost as firms tightened their belts in the face of these headwinds, though many other firms reported being constrained by an ongoing lack of available labour." **Cutting** Meanwhile, there are growing fears that 2023 could see a new wave of company collapses as the cost of living crisis continues. The number of firms on the brink of going bust jumped by more than a third at the end of last year, said insolvency firm Begbies Traynor. It expects this number to rise due to higher costs and consumers cutting back their spending as the economic crisis goes on.

UK borrowing rises by £16bn

GOVERNMENT borrowing hit a new high in December, driven by the cost of supporting households with their energy bills and rising debt interest costs. Borrowing, the difference between spending and tax income, was £27.4bn, a rise of £16.7bn on December 2021. Interest on government debt hit £17.3bn, more than double what it was a year earlier. The Office for National Statistics (ONS) said inflation was the main factor behind the rise. The typical UK energy bill is still almost twice what it was before Russia invaded Ukraine. The government cut energy bills in England, Scotland and Wales by £400 this winter.

BRAWLER HARIS OFF LOVE ISLAND

HARIS Namani has reportedly been dumped from the *Love Island* villa after shocking footage of him punching a fellow reveller on a boozy night out emerged. The show was plunged into chaos after a video surfaced on social media showing the TV salesman, 21, landing blows on another party-goer in the street. Insiders said that Haris had left the villa as part

of a planned eviction following a public vote and it is just a coincidence that his departure came hours after the video was unearthed. In the distressing clip, taken last May in Doncaster, Haris sparred with his opponent, knocked him to the ground and shouted: "I'm not a bully... on my mum's life." After the video emerged

on Snapchat, a friend of Haris' said: "We were all surprised when we heard Haris was going on *Love Island*. He's got quite a bit of a temper on him and if someone says something he's more than prepared to have a fight. "He's got an advantage being a boxer and he knows he can cause damage because he trains four times a week, he knows what he is capable of because of his training."

Margot reveals fanny wig shock on Wolf of Wall Street movie set...

DON'T WORRY...THEY WERE MY REAL PUBES!

MIRKIN A POINT: It was really Robbie in the buff

By ANNE COATES news@sundaysport.co.uk

MARGOT Robbie has revealed a shocking behind the scenes secret from the set of her hit movie *Wolf Of Wall Street*.

The actress said there was an entire 'merkin' – or genital wig – room on set.

The *I, Tonya* star, 32, said she was comfortable shooting a 'debaucherous party' scene for her new movie *Babylon* because she did nude scenes in her 2013 breakthrough role alongside co-star Leonardo DiCaprio.

"You get desensitised so fast. It felt like a lifetime and also like a distant hazy memory," she said.

She was asked if it was hard to find actresses with the right body types while filming and Margot said the costume department always had a plan.

Whiskers

"They have things called merkins, which is like a wig that for genitalia."

"I remember for *Wolf of Wall Street*, there was an entire merkin room," she said.

"I guess people would go in and pick one out. It was fascinating."

But Margot reassured fans the gorgeous pubes they saw on screen in her infamous nude scenes were really her fine minge whiskers.

Last week, Margot revealed the surprising reason her school friends affectionately call her 'Maggot'.

The two-time Oscar nominee explained the nickname was the result

MAGGOT: Robbie's nickname

of a mishap in primary school. "That has been my nickname since I was six years old," Margot said.

"I think a substitute teacher made a mistake on the roll call and said 'maggot' and everyone in the class laughed," she continued.

"You can't pick a nickname. You get given to it," the Aussie stunna added.

House sales take a dip

THE number of UK house sales fell 3% month-on-month in December, amid signs that rising mortgage rates are having an impact on transactions.

An estimated 101,920 homes were sold last month, which was 1% higher than in December 2021 but 3% lower than in November 2022, according to HM Revenue and Customs figures.

The statistics notes in the report state: "The impact of the recent increases in mortgage rates may now be being observed within these statistics."

The report said house sales had generally been stable in recent months but were slightly weaker in December.

Prison grub a sickener for Maxwell

JAILED sex offender Ghislaine Maxwell has moaned about her diet behind bars, whining it's "95 per cent beans and tofu".

Disgraced socialite Maxwell discussed life in prison on the *Jeremy Kyle Show*.

She made no attempt at an apology to her victims, and instead cried about the food she receives in prison in Tallahassee, Florida.

"The portion control is odd, and because I'm on a no-meat diet, there's supposed to be hummus or cottage cheese or tofu," she said.

"But mostly, I'd say 95%, it's tofu or beans", she told Kyle.

"You have to make your bed, military-style so there's nothing sticking out. Or you can get into trouble," she added.

MADONNA'S GREATEST HITS ~~TITS!~~

By **GEMMA JONES** news@sundaysport.co.uk

MADONNA took to Instagram to emotionally thank fans for their support after recently announcing her 40th anniversary tour.

The Queen Mum of pop, 64, said she felt "like the luckiest girl in the world".

It comes after the *Material Girl* star had to add further dates to the 'Celebration' tour after an "overwhelming" demand for tickets, with fans complaining trying to secure a seat was like an "Olympic sport".

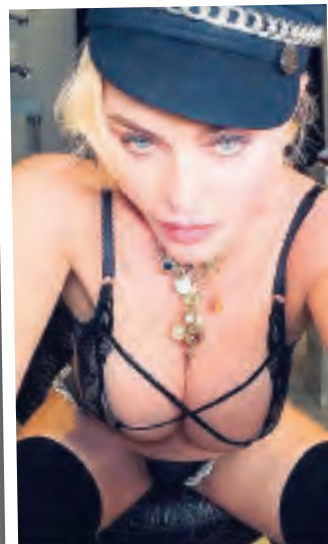

Madge said: "I just want to say thank you to all of my fans for all of your love and support over the last few days."

"I don't take any of this for granted - I feel like the luckiest girl in the world and I'm so grateful for all of your support."

She went on to say: "I can't wait to put the show together and have a moment with each and every one of you on the stage to celebrate the last four decades of my journey."

Veteran crooner Madge has not always looked like someone from a C5 show about plastic surgery going wrong, and used to be rather tidy in her heyday.

Secret plan for pension rise to 68

MILLIONS of Britons could work for longer under secret government plans to raise the retirement age to 68 by 2035, it has been revealed. The proposal is tipped to be announced in the Budget and would affect those born in the 1970s and later. Prime Minister Rishi Sunak and Chancellor Jeremy Hunt (above) have both been warned by backbench MPs they are 'playing with fire' before the next General Election.

The proposal is estimated by the Treasury to be worth millions to the UK's struggling economy. Already, hundreds of thousands of workers have decided to cut back on their pension contributions to help pay for rising food and energy costs amid a cost-of-living crisis.

The current retirement age of 66 will increase to 67 in 2028 and the next scheduled rise to 68 is due in 2046.

However, ministers want to bring forward the change to 2035, affecting everybody who is 54 and under today.

Perv wanted for letterbox flashes

COPS are hunting a perv flasher who "posts" his willy through old ladies' letterboxes.

The man exposed his bits to elderly women in a spate of incidents earlier this month.

The first took place in north Dagenham, Essex, before he then exposed himself the same way to another elderly woman in Dagenham an hour later.

It's thought that he committed other similar offences that night, in the same area, police said.

He is also believed to have been looking through windows, knocking on doors, and acting suspiciously.

The man wore dark clothing and a black crash helmet during all the incidents and was riding a dark-coloured motorbike or moped.

Police from the East Area Command Unit are appealing for witnesses.

CRACK PIPE!

Junkie girl told cops drug device in her FANNY was a SEX TOY

By BRAD CHADWICK
news@sundaysport.co.uk

A WOMAN claimed a crack pipe found "protruding" from her dirty junkie minge during a strip search was actually a DILDO.

Carmela Ann Maines, 57, was taken into custody in Clearwater, Florida, after she failed to show up to court on shoplifting charges.

But while Maines was being processed at jail, a body scan revealed an "anomaly" in her genital area.

Cavity

When officials conducted a strip search of the suspect, they found that "a glass crack pipe was protruding from the defendant's vagina," officers wrote.

Maines then allegedly removed the contraband from her cavity and "intentionally threw it on the ground and stepped on it in an effort to destroy evidence," the affidavit read.

She then "tried to explain" that the object was actually a sex toy, despite

PIPE UP: Maines used her minge

the fact that it was "consistent with a pipe commonly used to smoke crack cocaine" and covered with "burnt markings", police wrote.

Maines was charged with possessing contraband in a county detention facility and tampering with evidence in connection with the incident.

She was held behind bars after failing to post bail.

Maines had been reportedly previously been convicted of trespassing, disorderly conduct, fraud, battery, driving without a licence and failure to show up in court.

BUTCHER KILLED BY DOOMED PIG

A PIG got the ultimate revenge at a slaughterhouse – knocking over and killing a butcher with the cleaver about to be used on him.

Police said the pig had been shot with a stun gun at the Sheung Shui Slaughterhouse in Hong Kong when it suddenly woke and pounced on a 61-year-old worker.

The swine knocked over his would-be slaughterer – who seemingly dropped his 15-inch meat cleaver on his own foot.

Another worker found the butcher – named by local media as Cai – with

the cleaver in his hand and his left foot bleeding profusely from the wound, police said.

He was rushed by ambulance to a local hospital, but was pronounced dead, local reports said.

Hong Kong's Labour Department confirmed Friday that it was investigating "a fatal work accident."

Police stressed the cause of death has yet to be officially determined. The reports did not say what happened to the apparent killer pig.

"The Labour Department is saddened by the death of the person

and expresses its deepest sympathy to his family," the department said.

The city's Food and Environmental Hygiene Department – which manages slaughterhouses – said it was "very concerned about the work accident."

"The department expressed its deepest condolences to the deceased's family and has requested the contractor to provide all necessary assistance to his family," the department said.

Knackered Packham pulls out

CHRIS Packham has cancelled all TV work for the next three months after feeling completely 'burnt out'.

The wildlife presenter, who fronts BBC's *Autumnwatch*, *Winterwatch* and *Springwatch* shows, is taking a break from the cameras for the first time in four decades after feeling like he's been constantly running on a treadmill.

Chris, 61, is now embarking on a surprising career change, creating sculptures of animals.

"I'm not going to buy a Ferrari and run off with a 20-year-old," he said.

"I've never taken three months off work. Never. I can barely sleep I am so excited. I might have to ban my partner Charlotte from the studios."

Of his new art project, Chris added: "I don't want any interference or disruption, I want to get on with it."

"It will be good to clear my head and focus on something completely different."

Youngsters get earful of porn

PEOPLE in their 20s are LISTENING to porn, rather than watching it.

The trend of audio porn started during lockdown and has been embraced by young women as well as fellas, providing a "full body experience that allows your imagination to run wild" while tuning into physical pleasure.

Anna Richards, the founder and CEO of *Frolicme.com*, said: "The rapid interest in audio porn has allowed us to continue our natural interest in sex for arousal."

"Our smart phones in particular, provide easy and highly accessible listening to such non-visual options of imagery, hot wiring fanciful visions straight to our brains without anyone being any the wiser."

"All of a sudden there is no need for any 'not safe for work' moments when it's only our minds that are fuelled with fabulous filth."

Carol's sex life divides TV viewers

TELLY brainbox Carol Vorderman divided viewers after sharing details of her sex life on *This Morning*.

Carol, 62 (above), previously revealed that she had five "special friends" who she was romantically involved with.

After receiving a positive reaction from other women for sharing her story, the former *Countdown* scorcher returned to screens to discuss her approach further with hosts Holly Willoughby and Phillip Schofield.

And she offered advice on how to spice up your dating life during a phone-in on the ITV daytime show.

But viewers of Monday's episode were divided by the topic, with one Twitter user posting: "Do we really need to hear about Carol's sex life again?"

A second viewer tweeted: "Carol Vorderman is on TV talking about having f**k buddies."

"No-one wants to hear about Carol and her 'special friends'."

'Broken' cocks are on the up!

THE number of men who snap their todger during sex is growing, official NHS figures show.

Surgeons repaired 169 fractured manhoods in the 12 months to last April – up 46 on the year before.

And experts reckon it may show that more fellas are using Viagra.

Most procedures involve men in their 30s, although two in their 70s had breaks last year.

A typical repair involves cutting into the penis to stitch any tearing.

Consultant urologist Gordon Muir said breaks occur during sex when the cock comes out and gets bent on the way back in – usually when the woman is on top.

He said: "Most men feel a pop, or crack, and lose their erection."

"And there's usually bruising – the penis can look like an aubergine."

"If untreated, erectile dysfunction or scarring can cause serious issues."

PERVERT PEEPER SPIED ON HIS NEIGHBOUR IN THE SHOWER

BAILED:

Burnette

THE neighbours all thought that Brian Burnette was a really top bloke.

The handyman would not hesitate to offer his services if anyone on his street – particularly pretty or single women – needed odd jobs doing.

But there was a dark ulterior motive to his helpfulness – he is a PERVERT!

And he used a hidden camera to record a neighbour in the shower after fitting a spycam while doing odd jobs.

What's more, the oddball then FILMED HIMSELF furiously masturbating over the illicitly-obtained footage.

Invasive

Burnette, 48, has since been charged with invasive video recording after the female victim found several holes in her bathroom ceiling.

Upon examination of the attic above the bathroom, a pal found a camera with an SD card that contained footage of the home owner nude and showering, as well as a video of Burnette masturbating, police said.

Burnette had done repairs at the home just a few weeks earlier, police in Harris County, Texas, confirmed.

A later forensic investigation found more than 1,000 videos had been taken on the

device and 20 exported files were bookmarked. Burnette posted bail and was released, but told he cannot contact the victim or return to the home.

"It's pretty scary," a neighbour said.

"It's disgusting. The

feeling, I'm sure, is pretty wretched to think that somebody was doing that to you.

"We had no idea that had even happened in this neighbourhood. So this is all news to us.

Dogging site now welcomes families

A LAYBY popular with sex people is to have its trees and bushes cut back to make it less secluded.

The layby on the A1151 Wroxham Road between Wroxham and Rackheath in Norfolk has caused years of distress for locals with those who engage in dogging – or public sex – at the site.

In December last year police put up surveillance signs and began to carry out patrols in the area.

Fran Whymark, a Conservative district councillor for Wroxham, said police data shows sex activity at the site has dropped by 85%.

He added: "We want to make it more welcoming so families can stop without catching something they don't want to see."

AXED NYMPHO WPC TRASHED COP CARS

A SEX-mad lady cop fired for having sex with six of her police colleagues was threatened with the sack months earlier, for trashing THREE cop cars.

Maegan Hall was booted off the La Vergne, Tennessee, police department when an internal probe revealed she had performed oral sex while on duty, whipped off her bikini top at a 'girls gone wild' hot tub party and pestered another officer for a threesome with his wife.

But the officer, 26 (below), was already on her last warning after she cost her bosses thousands of dollars in damage and even ended up in hospital in a series of "preventable" car accidents.

The first of married Hall's three fender benders came in November 2021, nine months after she signed up.

In July 2022, Hall earned herself a one-day suspension after slamming into another vehicle, and after a third crash on October 21, she was suspended for four days.

She was then handed a final warning.

WILL you be tucking into a feast of haggis, tatties and neeps tonight – with maybe a wee dram to wash it down?

January 25 is Burns Night – when proud Scots celebrate their national poet, Robert Burns.

He is the best known of the poets who have written in the Scots language, although much of his work is in a "light Scots dialect" of English.

To the untrained eye, his scribbles may look like gibberish, but that does not stop people attempting to sing his best-loved poem *Auld Lang Syne* at New Year.

To mark Burns Night, feast your eyes on FIVE pages of gorgeous ladies from north of the border...

'I'm grateful to my ex for all the bum fun!'

...WITH
DIANA DOLL,

WATFORD,
HERTS

I HAVE a confession to make... I love it up the arse!

I had no idea until I tried it for the first time last year, but before then I had always dismissed it as painful. However, I'd simply been with guys who'd just rammed it in and didn't do the foreplay part right. Then I met a boyfriend who showed me that anal can be orgasmic! You've got to use lots of lube. And I love being gently stroked around my bumhole. Lick it and I go wild! Get me all revved up and gently slide your cock in. Once I get going, I'll be begging you to go faster! I love to play with my clit while I'm being pounded in the arse. I've split up with that guy now but I'm grateful to him for all the bum fun!

Homemade sex toy advice from TikTok teacher

A SEX education teacher raised a few eyebrows by making a video showing teens how to bum themselves – using bananas!

Mariah Caudillo (above), who has 418k followers on TikTok, shared video clips demonstrating how “spicy toys” can be made out of innocent produce, and suggesting video game controllers and electric toothbrushes can be used instead of actual sex toys.

She addresses sex and contraception questions she says she has received from high school students.

The educator had no qualms about gearing her lessons towards a younger audience by saying: “It’s not illegal to buy spicy toys online, even as a teen, which most people do. You just have to purchase them with a valid credit card, debit card, or gift card.”

Caudillo works for Planned Parenthood, which provides health and education services to more than 220,000 people each year at more than 30 locations in mid-California and northern Nevada.

On Instagram she says she “advocates for trauma-informed, pleasure-centred, shame-free Sex Ed”.

Wife shoots hubby dead in hospital

A WOMAN shot and killed her terminally ill husband at a hospital then refused to leave his room.

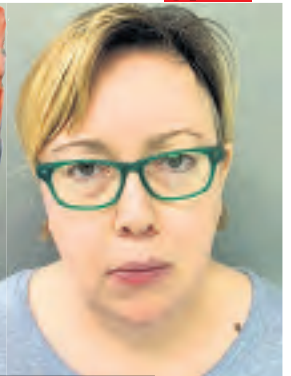

The shooting took place in the middle of the day at AdventHealth in Daytona Beach, Florida, where police said they negotiated with the female until she finally agreed to surrender.

Patients and staff surrounding the room were evacuated and police said they did not believe the woman was a threat to others.

“No-one else has been injured,” police said.

The names and ages of the woman and her husband have not yet been released, but police referred to her as an “elderly female”.

Rita gets her tats out!

POP scorchers Ora took to Instagram to show off her latest tattoo.

The singer, 32, aired some serious undies as she lifted her T-shirt to display the inking on her abdomen.

Rita's new artwork appears to be the outline of a woman and is still in the process of being completed.

A fan said: “I’d like to cover her with my special dick ink. And by that, I mean spunk. In case you didn’t get it.”

A WOMAN shot both of her elderly parents in the head before mutilating their bodies with a chainsaw over the course of nine days, officials said.

Verity Beck, 49, was charged with double murder after police found her parents, Reid and Miriam Beck, in “different stages of dismemberment,” Montgomery County, Pennsylvania, District Attorney Kevin Steele said.

An autopsy found that the couple, both in their 70s, was each shot once in the head at close range.

“We hope and pray that happened first,” Steele said.

Decomposing

Police found the graphic scene after Verity's brother called them to conduct a wellness check. Family members said they had not heard the couple's voices since Jan 7.

Officers were struck by the overpowering stench of decomposing bodies and immediately found Reid, who was “wrapped in a white sheet and comforter”.

“They were also able to see that there was evidence of Miriam in the house also, and she was deceased,” Steele said.

“There were signs of extreme trauma, and I’ll tell you the chainsaw was found. And both Reid and Miriam were found in different stages of dismemberment.”

Verity, who lived with her parents, allegedly used the chainsaw on her parents and placed their dismembered body parts in black bags before disposing of them in two different bins.

Verity's brother called 911 after he had visited the home and noticed what looked like a body hidden under a blanket. The alleged killer told her brother that things at the home had “been bad.”

The brother urged Verity to call cops, but she told him that she needed “more time,” the complaint alleges. He left and called 911.

Beck was charged with first and third degree murder.

SHOW US YER STUNT, EMILY!

DARING: Em shared stunt pics with army of online followers

By SUZIE SHELTON news@sundaysport.co.uk

EMILY Ratajowski is more than just a pretty face...

The model-turned-actress showed off her stunt skills while posing in a nude-coloured suit for a fashion shoot, and the behind-the-scenes snaps have been shared on Insta.

Emily, 31, who recently gave an empowering commencement speech at Hunter College, could be seen held up in the air simply by a harness secured around her waist.

And she told her 29.7 million social media followers: "I do my own stunts."

Gifted

In the latest post, Emily gifted her fans a few photos of herself hoisted up in the air by two strings attached to a silver-coloured harness around her lower waist.

Her long, brunette locks effortlessly cascaded down past her shoulders in natural waves and lightly blew around her as a crew member positioned a fan in her direction for effect.

Social media users jumped to the comments section, including media personality and DJ, Chantel Jeffries, who said: "Stay fly," to the scorcher.

PAM'S JEALOUS EX HELL

PAMELA Anderson revealed the extent of ex-husband Tommy Lee's jealousy over her *Baywatch* co-star David Chokachi in her upcoming documentary.

The *Barb Wire* star, 55, has been promoting her new memoir *Love, Pamela* as well as the upcoming Netflix documentary *Pamela: A Love Story*, in which she shares diary entries that describe Lee's jealousy.

She said: "Tommy was so jealous. I thought that's what love is. I had to kiss

David but I didn't tell Tommy. He lost it. He trashed my trailer on the set, put his fist through a cabinet."

Pam, who was married to the Mötley Crüe drummer for three years, added: "I apologised for not telling him - lying, as he put it - and told him it wouldn't happen again."

The pair famously got married on a beach in Cancun, Mexico, after a four-day whirlwind courtship. Anderson divorced Lee in 1998.

Teacher fears over gun boy were ignored

A SIX-year-old who shot his teacher told another educator he wanted to set her on fire and watch her die.

Last month, the boy shot Abigail Zwerner (above) at Richneck Elementary School in Newport News, Virginia.

Zwerner, who survived the attack, and other staff said they'd shared their fears about the troubled child's behaviour with administrators, only to have their concerns ignored.

The child, who often threw furniture and other objects in the classroom, once wrote a note to a teacher in which he told her he hated her, and wanted to set her on fire to kill her, the teachers union said. When she brought the disturbing letter to school administrators, they told her to drop it.

Abigail, 25, was shot in the chest on January 6 while teaching her first-grade class. She sent her students out of the classroom before collapsing and being rushed to hospital.

The shooting is being investigated as "intentional".

Man loses bollock in 'police attack'

DOCTORS amputated the testicle of a man who got clubbed in the groin by a police officer during a demonstration, and who plans to file a lawsuit.

The incident occurred during a spurt of violence at a peaceful march in Paris last week by tens of thousands opposed to a government pension reform plan.

About a million people marched in cities around France last Thursday.

The 26-year-old man, identified in the French press as engineer Ivan S, said he was knocked to the ground by an officer, while taking pics during a confrontation between demonstrators and cops.

Another officer then ran at him and hit the man's groin with his truncheon.

Ivan will be suing "to stop police violence".

Paris Police Chief Laurent Nunez has since ordered an inquiry into the exact circumstances of the incident.

FRENCH MAY HAVE THEIR KNOCKERS...

IT is a golden and not wholly unagreeable rule that when French feminists are a bit cross about something, they get their busters out.

So when thousands of traditionalist Catholics marched in Paris at the weekend, to protest about euthanasia, the spirited ladies from activist group Femen went into action. Baring their pert French busters in the chilly Parisian morning, the ladies wore bloodstained panties and scrawled their bodies with the

Femen activists nicked after Paris protest

slogan: "Abortion is Sacred."

It was not quite clear why the ladies connected euthanasia and abortion, though many traditionalist Catholics are known to take a rather dim view of both.

One onlooker at the march said: "There are not many times that I would like to be a French policeman, but getting to grips with half-naked French ladies must be at least a bit of a perk, I'd have thought. Corri!"

HORSE GIRL RODE TWO TEEN LADS

RIDING CROP IN ANUS: Makaila Yablonski

A HORSE riding instructor rode two teenage lads like stallions in steamy romps at her stables.

Randy Makaila Yablonski, 25, was charged with sexual abuse, sexual conduct with a minor, public sexual indecency, and indecent exposure with a victim who is 15 years of age or more after her arrest in July last year.

Now it looks like the case is moving to completion after she was offered a plea deal, meaning some charges will be dropped in return for her coughing up others.

The investigation began as an assault, which led authorities in Yuma, Arizona, to discover a sexual offence, the sheriff's office said. Investigators identified two male 17-year-olds as victims in the investigation.

Cops found that Yablonski had enjoyed rolls in the hay with both

lads and even sent them used dildos in the post with X-rated notes reading: "I've had this in my pussy, I want your cock next."

The victims revealed that Yablonski demanded full, oral and even anal sex with them, and often liked to insert a riding crop in her anus while being vaginally penetrated.

One of the victim's mothers has frequently been in the courtroom as the case has rolled along.

Yablonski has remained in

custody since her arrest.

At her most recent appearance in court, her attorney noted that the prosecutor assigned to the case kept changing, which is why it's taken so long to complete.

In response, the prosecutor responded that the matter was settled and the defence should expect a plea deal in two weeks.

THE WORLD FAMOUS AGONY

Dear Sam,

I'm a reasonably good-looking 28-year-old single bloke – I recently divorced my miserable wife – and I work in a factory with lots of women, many of whom are married.

I really fancy one of them, a 35-year-old attractive blonde with a fantastic figure, and she's always up for a laugh.

We spend a lot of time together, enjoying a bit of banter and often talking really dirty to each other, and I've reached the point where I'm gagging to give her one.

The other morning we were chatting at the vending machine and she told me she'd had a dream about me shagging her senseless in the store room.

But I'm scared of asking her for sex in case she was only joking and knocks me back – before telling all the other women.

What do you reckon?

GS, Lancs

Sam says...

SOUNDS to me like she'd be up for it, so go ahead and take the plunge.

Dear Sam,

I'm an 18-year-old girl at college. I'm blonde, 5ft 8in tall with a trim figure and big boobs and I've had loads of snogs with lads my age but they all seem so immature.

One of my lecturers is really hot and a few weeks ago I lost my virginity to him after he offered me private tuition.

He spent the evening at his flat carefully going through my revision notes but ended up leading me upstairs and making love to me in his bed.

I'm not complaining because he was such a caring lover but I don't think I should go round again.

I thought he genuinely wanted to help me, but my pal says the lecturer has a reputation for this sort of thing and only wanted to get in my knickers.

Who is right?

TB, Nottingham

Sam says...

I'LL give it to you straight, don't be so naive!

Tall man banged me long and hard on car park table

Dear Sam,

I RECENTLY started a new job and there is a tall, fit bloke works in the accounts office there.

Last week we had a party in a local pub as we all celebrated a huge new order that had come in.

So I went along with one of the girls I sit with. Me and my pal were soon very tipsy and decided to tease the tall man.

He was up for a bit of fun, so we got him outside in the car park, under the pretext of just having a smoke.

There was no-one else around so I was quickly on him, kissing him with tongues and undoing his silk shirt.

Then my pal unzipped his trousers and let his massive cock spring out. It was eight inches

long and I knelt down and started licking and sucking it.

My friend then lifted her skirt and pulled her knickers aside so that he could finger her.

I sat on a wooden table and he shafted me roughly until I orgasmed.

I sucked him hard again so that he could bang my pal.

The problem is that the next day my mate told all the other girls at work what we'd done with the tall man.

Now I'm terrified we'll both get the sack. What do you think?

DK, Weymouth

Sam says...

THAT'S the risk you run by being too frisky at office parties. Just don't do it again!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week SAM TYE has been reading through your letters. And here's her advice for you...

Amazing lover has a pants obsession

Dear Sam,

I AM an attractive divorcee in my early 30s. Since my husband left I hardly go out, but a friend encouraged me to socialise more.

It was on a night at my local social club that I met my man. We hit it off from the beginning, although I was a bit cautious when it came to sex.

But after a lovely dinner and a few drinks, I invited him back to my place.

His foreplay was wonderful. He teased me with his fingers and then his agile tongue played against my clitoris until I was begging him to enter me.

Suspicious

He thrust deeply inside me, making me squeal with delight, and I watched with ever increasing ecstasy his big cock sliding in and out of me.

And when we reached orgasm he was so big and hard I felt the whole of me being filled.

Afterwards we lay in each other's arms, then he apologised for not being able to stay.

I was a bit suspicious, thinking maybe he was married.

When I cleared up the clothes I'd left

behind, I was puzzled when I couldn't find my panties but decided it was nothing to worry about.

The next time he came round we took things more leisurely, undressing each other in the dim light of the bedside lamp.

I was already naked as I came to lower his trousers. Underneath, to my shock, he was wearing my knickers, stretched to the limit by the most enormous erection.

He laughed and said he wore them to remind him of me, but again I was left feeling slightly uneasy.

That soon passed as he again softened me up with his amazing foreplay.

He gently nibbled on my erect nipples before easing his tongue all the way down my body to tease my aching fanny.

Finally, he raised my legs high in the air and thrust hard into me.

We had the most wonderful sex and

he brought me to the brink of climax over and over.

A few days later we met again and this time I pressed him to show me his home.

He seemed a bit reticent but he agreed. He lives in a very well-kept apartment which he bought after splitting with his own wife.

In his bedroom I could not help but notice a partly open drawer and inside were about 20 pairs of silky smalls.

When I confronted him, he admitted that he liked to keep and wear mementos of past lovers.

Now I feel I could be discarded just as easily. Am I worrying too much?

SD, Sussex

Sam says...

I WOULDN'T worry. He obviously loves his women and just has a harmless little fetish.

Dear Sam,

I'M a plumber and I've lost count of the women who've offered me sex in their homes.

For some reason they seem obsessed with my tools and can't wait to get hold of my plunger.

One woman asked to be taken from behind with a loo seat over her head and another took an unhealthy interest in a U-bend.

But now I'm a little bit more choosy about whose waterworks I check.

Generally, birds in posh houses are the most horny. They often have a lot of time on their hands as their husbands work long hours.

I remember installing a bath for a woman in a select area of town.

Within minutes she reached into my sack and started playing with my pipe.

I took the gorgeous blonde from behind, had my dick sucked, and then watched her masturbate with the plunger.

On another occasion I went to a house to plumb in a washer when I was greeted by two sexy brunettes in their 30s.

It wasn't long before I was shagging one doggy-style while the other licked her mate out.

My job is the best. Do you agree?

WF, Dorset

Sam says...

YES. But be careful you don't wear out that plunger!

Manager's win bonus is sex with the team

Dear Sam,

A MATE of my wife has set up a football team. Because I'm a former semi-pro, she asked if I would manage them.

I agreed, but to be honest I wasn't looking forward to it. I thought they'd be a bunch of ugly lesbians.

I couldn't have been more wrong. When I got to the first training session, I saw all these fit birds.

After our first match I gave my strikers, two gorgeous 18-year-old blondes, a lift.

It wasn't long before one of them was sucking my cock while the other took her clothes off. I ended up shagging both of them.

Since then I've scored with most of the team. The centre-half loves anal sex, while the right winger loves to be tied up and taken from behind.

Porn

The skipper invites me round to talk tactics. This usually involves us watching porn videos of her having sex with her husband and his mates.

She then gets changed into her football kit, complete with shin pads and boots, and gives me a blowjob.

Then she takes her kit off, but leaves her boots on, and rides me.

The only problem is that my wife now wants to join the team. Obviously, I don't want her finding out about my 'team bonding' sessions.

What should I do?

KD, Newcastle

Sam says...

TELL your wife her idea is offside.

DO YOU HAVE A SEX PROBLEM?

#HOT'N'HORNY

LOVELY Laura Lacole has a thing for men in uniform but says she's not fussy who services her!

The babe, from Belfast, said she gets really turned on fantasising about sex with a smartly-dressed man.

Laura, who boasts a 32D top rack, said: "I dream about being pulled over by a copper on the motorway and he's giving me a right ticking-off."

"Then I suggest there must be some way to avoid a ticket and give him a cheeky wink."

"Next thing I know he has his handcuffs out!

"And maybe he'd give me a little spank on the bottom with his truncheon!"

"Shagging a soldier is another fantasy of mine – just the thought of all those muscles bursting out of his neat uniform."

"You could say I have a bit of a uniform fetish – and I'm happy to do my bit and put on my saucy college girl, naughty nurse, or French maid outfit!"

A full-page photograph of Taylor Kennedy, a woman with long dark hair, posing in a blue button-down shirt and a red bikini top. She is smiling and looking towards the camera, with her arms raised behind her head.

If you've ever admired the busty babes at a Hooters restaurant, you can thank Taylor Kennedy.

Because the all-American busty babes trains the waitresses!

She said: "One of the main things to do is teach the girls not to knock glasses off the bar with their boobs - it's easily done."

"Especially if they're as big as mine!"

Self-shooting topless pics is a craze that's sweeping the country - but you don't need a swanky new smartphone to enjoy 'em - as we'll be printing the pick of the snaps EVERY week!

SHOW ME THE HONEY!

WELCOME to the interactive Midweek Sport – where YOU get to choose the stunnas appearing on these pages!

EMMA LOUISE

ELECTRICIAN Wayne Heywood fancies the pants off curvy topless beauty Emma Louise.

Wayne, 45, from Macclesfield, says the stunning Essex beauty is an 'absolute worldie' and says nothing turns him on more than her 30G boobs.

He wrote in to ask for a topless photo of the Romford babe and said: "She is so fit, a real hottie."

"If I got her in a room alone, there would definitely be sparks flying!"

VIKKI THOMAS

RETIRED civil servant Kenneth Bolton is a regular reader of the *Sport* and one of many readers who responded to Vikki Thomas appearing on these pages recently.

Kenneth, 72, from Liverpool, reckons Weston-super-Mare beauty Vikki's 36DD boobs are still the best.

He said: "It can get quite lonely and boring by myself, but I try to keep occupied."

"I read the *Sport* three times a week and no other girl but Sam really does it for me."

CORINNE RUSSELL

FARMER Harry Clayton might spend his days milking cows and mucking out pigs, but at night he loves to ogle Corinne Russell. Harry, 58, from near Penrith, Cumbria, begged for a topless snap of Corinne, from Birmingham.

He said: "I see the back end of pigs as well as cows' udders all day, so there's nothing better than a photo of Corinne to perk me up."

"One glimpse of her 36D norks and I'm instantly hard as a rock. "Can I have a new one please?"

SPORT STARTS HERE WITH RACING

DARK TROOPER will take some stopping in the Try Our New Price Boosts At Unibet Handicap at Kempton.

Ed Walker's charge shaped with promise in three outings in maiden and novice company on the grass last season, so it was no surprise to see him sent off favourite for his handicap debut at Windsor.

And while his supporters were ultimately left counting their losses, Dark Trooper was not disgraced in finishing fourth from an unfavourable draw, while his rider dropping his whip did not help.

Testament

The son of Dark Angel was gelded off the back of that run and returned from three months off the track to make his all-weather debut at Southwell early in the new year.

Things did not go entirely to plan as after quickening up smartly Dark Trooper hung badly to almost throw the race away, but it is testament to his latent ability that he still managed to get the job done cosily by half a length.

The runner-up Serenity Rose has since gone one better at Wolverhampton and while he clearly has a few quirks, Dark Trooper undoubtedly

has the ability to defy a 2lb rise under Tom Marquand.

Military Two Step can give weight and a beating to her rivals in the Unibet 3 Uniboosts A Day Handicap.

Charlie Johnston's mare has won four times from 13 starts and is only a couple of pounds higher than when striking gold on her latest outing at Chelmsford in November.

Franny Norton appears to get a particularly good tune out of her and like so many horses from this yard, she is likely to take some pegging back over a two-mile trip which clearly suits.

All-weather fare also comes from Newcastle, where Irv is of interest in the opening Huge Daily Boosts Only At BetUK Amateur Jockeys' Handicap.

While no star, Micky Hammond's seven-year-old is a largely consistent performer at his level and has dropped to his last winning mark.

The fact he is ridden by Becky Smith, one of the more experienced capable operators in this field, is a big positive.

Gincident is the pick in the talkSPORT Powered By Fans Handicap.

Richard Fahey's runner was not winning out of turn when opening his account at the seventh attempt at Wolverhampton in late

November following some decent efforts in defeat.

The step up to a mile at Dunstall Park looked to bring out an improved performance and a 6lb hike does not look insurmountable for a horse still unexposed at the trip.

Howlingmadmurdock can maintain his unbeaten record in the Start Your Racing TV Free Trial Novices' Hurdle at Catterick.

The Soldier Of Fortune gelding was a winner on his bumper debut at Fontwell for Anthony Honeyball last February, so it is curious he subsequently changed hands for just £26,000.

Penalty

He proved that price a bargain on his hurdling bow and first start for Tom Lacey at Plumpton last month as he dispatched of his rivals.

Howlingmadmurdock should be capable of defying the mandatory penalty in this company before having his sights raised in due course.

Conqueredalofeurop is taken to strike for the formidable combination of Donald McCain and Brian Hughes in the racingtv.com/freetrial Novices' Limited Handicap Novice.

The Irish recruit finished a promising second on his first start for new connections at Wetherby before placing third in an attritional Last Fling Handicap Chase at Haydock.

STONES ADMITS MAN CITY PLAYERS HAD DROPPED OFF

JOHN Stones accepts Man City had some wrongs to put right after manager Pep Guardiola rounded on the players last week.

City boss Guardiola angrily criticised his squad in public, claiming they were lacking hunger and fire, after they needed to fight back from 2-0 down to beat Tottenham last Thursday.

Guardiola's broadside underlined his frustration after a series of frustrating results, including a derby loss to Manchester United and a meek Carabao Cup exit at Southampton.

Their response was to brush Wolves aside 3-0, with the prolific Erling Haaland scoring his fourth hat-trick of the season, in their latest Premier League outing at the Etihad Stadium on Sunday.

Defender Stones said: "At half-time the other day he (Guardiola) told us what he wanted, what he wasn't happy with.

"As players we were not at our best, not playing well and we had to correct that. We have got to learn from these things and it happens in football.

"We had to move forward quickly

By JOHN ANTHONY

and it was a great day to put things right. We needed to start well, play our football, be free, be patient, not get frustrated with things and the chances would come – and they definitely did."

Haaland's performance, which took his goal tally for the season to 31 from 26 appearances in all competitions, was also a strong riposte to claims City are a worse side, in terms of style at least, since his arrival last summer.

Scrappy

Stones said: "I'm so pleased for him. I love Erling as a person and he's an incredible football player.

"He's been so good for us so far and I don't think that's the last of it either.

"He's got plenty more to come. He's hungry, he's ready to play, to fight and score."

After a scrappy opening, Haaland put City ahead after 40 minutes when he headed home a cross from Kevin De Bruyne, who was back in the side after being omitted against Spurs.

Haaland doubled the lead with a 50th-minute penalty after a foul on Ilkay Gundogan and then completed his treble moments later following

NOT HAPPY: Guardiola

a mistake by Wolves goalkeeper Jose Sa.

The win ensured City remained within five points of leaders Arsenal at the top of the table.

City are yet to face the Gunners this season but they will get a first look at them when they meet in the FA Cup fourth round on Friday.

Stones said: "I am sure there is a lot of talk outside the dressing room about us playing them, but we'll keep focused, control what we can, and go into it like we do every other game."

Easy

Wolves' problems in front of goal continue with the team having struck just 12 times this term and manager Julen Lopetegui is also concerned about their defence.

The defeat left them 17th in the table, above the bottom three only on goal difference.

"It is not easy to score goals," said Lopetegui.

"We have to do better to get more chances and then take advantage of them. It is more important to have clean sheets. We can improve in both boxes.

"Our main aim is to get out of the last match with no relegation. We have four exciting and difficult months. We have to be ready."

LEEDS boss Jesse Marsch is adamant his Yorkshiremen will save their Premier League skins this season.

The American is maintaining his mantra that Leeds are building momentum after being held 0-0 by Brentford at Elland Road.

A much-needed three points eluded Leeds as a frustrating afternoon saw their winless Premier League run extended to six matches.

Leeds' two-point buffer between themselves and the bottom three before the weekend's fixtures has been cut to one.

By WES DERBY

But after his side dominated against Thomas Frank's high-flying Bees, Marsch insisted all the signs are pointing to an improved run of results.

The Leeds head coach said: "The group is coming together. There's momentum and I know it doesn't feel necessarily so strong because we're not having a bunch of wins lined up in a row."

"But this is a little bit what the league is and you know where we're at, we have to earn everything right now."

"We're not afraid of it. And the best part is, again, when I look all of our men in the eye right now in the dressing room, they know it's coming together and they know we're getting better and they know we're going to be a good team."

Defensive vulnerability has been Leeds' Achilles heel this season, but January signing Max Wober added authority and solidity to Marsch's back four as he made

his first league start alongside Robin Koch at centre-half.

Marsch said: "His greatest strengths are his intelligence, his communication and his ability on the ball. He's probably the best passing centre-back I've ever had."

"But it's also about his communication and intelligence and I think that that's helped the whole group."

"Until he came off we were up 3-0 against Cardiff (in last week's FA Cup replay). He came into the match and played as a six against Cardiff away (in the initial tie)."

"He came on the pitch and played as a left-back at Villa. We haven't given up a goal when he's been on the pitch."

Unbeaten

"So I think that says a lot about his performances and his clarity as to what we expect from him."

Brentford were indebted to goalkeeper David Raya as they extended their club-record unbeaten league run to eight matches.

The 27-year-old Spaniard, who denied Leeds pair Willy Gnonto and Rodrigo in the second half, has been linked with London rivals Tottenham and Chelsea despite having 18 months to run on his Brentford contract.

Bees boss Thomas Frank said: "David, I've said before, I think he's one of the best goalkeepers in the Premier League."

"He's in really good form. I think he's got everything a modern goalkeeper needs to have. The good news is he's still ours for the next one-and-a-half years at least."

"We decide whether we do anything and they'll need to pay a lot of money if they want to get him."

COURT SHORT FOR CALCUTTA CUP

COURTNEY Lawes has become a major doubt for England's Six Nations opener against Scotland as Steve Borthwick contends with a mounting casualty list that includes an escalating crisis at hooker.

In the latest setback to an injury-hit season, Lawes incurred calf damage during Northampton's clash with La Rochelle on Saturday and undergoes a scan on Monday.

The 33-year-old flanker missed the autumn because of concussion before his comeback was further delayed by a glut injury and now one of England's two vice-captains will miss at least one week of training.

RUGBY UNION

Although yet to be ruled out of the Calcutta Cup at Twickenham on February 4, Lawes' prospects are looking bleak, leading to David Ribbens' promotion into the 36-man squad that gathers on Monday night.

George McGuigan could also miss the opener because of a knee injury, placing strain on England's resources at hooker in the wake of the concussion sustained by Jamie George while on Saracens duty against Edinburgh on Sunday.

George will undergo the return to play protocols and, with Luke Cowan-Dickie

missing at least the start of the Six Nations because of an ankle injury, the options in the number two jersey are dwindling.

"Both Courtney and George are undergoing scans today (Monday) and are seeing specialists for the results of those scans as soon as possible," Borthwick said at the tournament's launch in central London.

"Then we will have a full understanding of the extent of their injuries and their plans thereafter."

"Both are out of training this week."

"That's definite but they are not necessarily out of training for next week."

"Clearly neither injury looked good but what I'd rather do is get the full information and then make a plan."

"Jamie was good after the game but he now follows the return to play protocols."

Tom Dunn of Bath fills the vacancy in the squad created by McGuigan's knee issue with uncapped rookie Jack Walker the only other hooker in the squad.

In addition, versatile back Elliot Daly and prop Mako Vunipola are struggling with respective hamstring and foot problems and are awaiting medical assessment.

"The game against

Scotland is a week on Saturday so there is plenty of water to go under the bridge between now and then," Borthwick said.

"We've got a good squad and players who are desperate for the opportunity. Whenever there is a setback it opens up an opportunity for somebody else."

"Players have got to grab those opportunities with both hands and not let go. You need a squad where players are competing for places."

"We've got to build greater depth. These opportunities allow players to show they can be Test players."

HUNTING: Unai Emery

Emery still wants to do business

ASTON Villa manager Unai Emery is open to adding new players to his squad in the January transfer window.

Ollie Watkins scored the only goal of the game in a win at Southampton in their last Premier League game, which lifted Villa up to 11th, just one point behind Chelsea and Liverpool.

In the current window, they have sold Danny Ings to West Ham for a reported £15million and signed Alex Moreno from Real Betis.

Jhon Duran has also been brought in but Emery called for patience over the 19-year-old forward.

That leaves Watkins as the only senior striker in the squad and Villa boss Emery admitted he would be open to adding to his current contingent.

"At the moment we are speaking about some players that are getting ready to leave and then if we have some space to add some players to improve the squad, taking the balance in the squad, we are going to do it," the Villa boss said.

"But only if they are going to add some different quality in the squad.

"At the moment we have very good players and we are happy with the players that we have, but of course we want to add more players, maybe this transfer or maybe in the summer."

Watkins wants to push on further, as Villa extended their unbeaten league run to four matches.

"It's always hard to go and win away in the Premier League," Watkins said.

"Whether it's bottom of the league or top of the league, it's always going to be difficult.

"It's massive for us and hopefully we can keep pushing on now."

Bednarek back at Southampton

DEFENDER Jan Bednarek has been recalled from his loan spell at Aston Villa by Southampton.

The 26-year-old Poland star moved to Villa Park in the summer but made just four appearances.

He has now returned to St Mary's to help Nathan Jones' squad as they battle against relegation.

Bednarek has played 153 times for the Saints since joining from Lech Poznan in 2017.

IT'S LOOKING GOOD FOR MIKEL ARTETA

BRING ON THE CHAMPS

Arsenal skipper not afraid of Manchester City as they stretch clear at the summit

MARTIN Odegaard insists Arsenal "don't care" about rivals Manchester City as they remain focused on their own impressive form in the Premier League title race.

The Gunners opened up a five-point lead at the top of the table following their last-gasp 3-2 win over Manchester United on Sunday.

City are their closest challengers but the reigning champions have played a game more than Arsenal, who they meet in the FA Cup fourth round on Friday night.

The two have also yet to face one another in the league this season and, despite their advantage, Arsenal boss Mikel Arteta said after the United win that City remain the best team in the division.

Odegaard, though, has no interest in what City are doing – Pep Guardiola's side having closed the

By PAUL THOMAS

gap from eight points to just two before the United victory.

"No, honestly, we don't care about City or any other team," the Arsenal captain replied when asked if there was more pressure on the game because of City's two wins.

"We expected them to win so that was not a big surprise and we just focused on our game, to come here and win and that's what we did.

Focus

"The way we won against Man United gives us a special feeling that will help as well.

"It's a long season. We're just halfway through, there are many games to be played so we have to stay calm and humble. Our only focus is the next game and that's all that matters. We have to stay focused like this."

Arsenal now sit on 50 points, their best-ever total at the midway stage

of a Premier League season, higher even than the total of Arsene Wenger's Invincibles.

Such form has now made them many people's favourites to win the title for the first time since that 2003-04 campaign, but Odegaard will not be letting minds shift away from the task at hand.

"It's way too far ahead to think about that now," he added.

"We have to stay in the moment, everyone should enjoy the moment. We're doing really well but we have to stay calm, it's a long way to go and we have to keep working and improving. Then we'll see."

The bookies seem to have made up their mind and have made the Gunners odds-on favourites for the title.

It's the first time they have been that short, with Manchester City available at 11-8.

It looks all over for Man United who are now 50-1 after the Emirates reverse.

However, there is a long way to go

for Mikel Arteta to replicate the achievements of Arsene Wenger and win the Premier League as Arsenal boss and here, Midweek Sport looks at the tests that await his young team.

TITLE RACE EXPERIENCE

Manchester City remain Arsenal's closest title challengers and Pep Guardiola and his squad certainly have more proven know-how when it comes to getting a title bid over the line.

Four league titles in the last five seasons certainly gives City the edge when it comes to trophy pedigree and it will be up to Arsenal to prove they have the same staying power.

The summer signings of Gabriel Jesus and Oleksandr Zinchenko – both arriving from City – will no doubt help Arteta, who himself was an integral part of Guardiola's coaching staff for two successful title-winning seasons.

CITY SIX-POINTER

points from their opening 19 games of the season, amassing an impressive 50 points to sit a hefty 11 clear of both Newcastle and Manchester United.

City are five points behind the Gunners and have the goals of Erling Haaland to push them on towards the ninth league title in their history.

The top two title protagonists not only meet in the FA Cup fourth round on Friday night but have yet to clash in the Premier League this season. Those games will surely decide where the pennant is flying next season.

City visit the Emirates Stadium on February 15 with the return game in Manchester scheduled for late April.

Arsenal have not beaten City in the league since 2015, losing the last 10 meetings by an aggregate score of 26-3 and will need to address such a shocking run of results to keep ahead in the run-in.

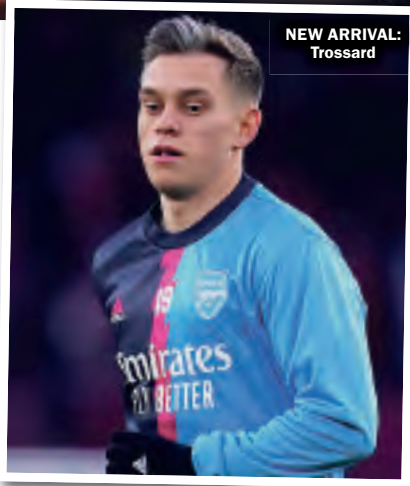

SQUAD DEPTH

Arteta has faith in a small squad which he has developed over recent seasons, with seven players starting all 19 league games so far this campaign.

Aaron Ramsdale, Ben White, William Saliba, Gabriel Magalhães, Granit Xhaka, Bukayo Saka and Gabriel Martinelli have lined up for every game and that core of players has no doubt helped Arsenal find consistency and rhythm in their play.

Even losing Jesus to knee surgery allowed Nketiah to come into the side and shine but such is the size of Arteta's squad that any other injuries could dent the balance of his team and their chance to get their hands of the trophy.

The January arrival of Leandro Trossard and the impending signing of Jakub Kiwior will help but Arteta will be keeping his fingers crossed that the nucleus of his team stays fit and healthy.

Everton want Bielsa to take over from Lamps

By JOHN ANTHONY

EVERTON want Marcelo Bielsa – and his big blue bucket – as their next manager.

The Toffees have turned to the former Leeds gaffer after showing Frank Lampard the door.

Bielsa has been out of work since Leeds fired him 11 months ago with relegation looming for the Elland Road club.

But insiders say Everton owner Fahrad Moshiri is keen on the veteran Argentinian.

Bielsa's eccentric ways – including sitting on a blue bucket to watch the match – made him a cult hero at the Yorkshire giants.

He is favourite with the bookies ahead of former Burnley boss Sean Dyche with

GONE: Lampard

Everton legends Duncan Ferguson and Wayne Rooney also in the running.

Lampard leaves Goodison Park with the club 19th in the table after a run of nine defeats in 12 games.

He won just nine and lost 21 of his 38 Premier League matches and his sacking came eight days before the first anniversary of his appointment.

Moshiri offered public backing to Lampard as recently as January 13, but hugely damaging defeats to fellow strugglers Southampton and West Ham have forced a change.

Everton have scored just 15 goals in 20 Premier League games this term and have only managed to find the net more than once in a game twice.

With a first relegation since 1951 looming large, Lampard's exit adds to the current turmoil surrounding the club.
